Driving then to the Abu Dhabi Cultural Foundation, followed by a visit to various markets such as the fish, vegetable, date, and Iranian market in Port Zayed. Driving along the spectacular Corniche, with its gleaming white mosques and elegant high-rise apartments, we stop at the Heritage Village, which houses a small museum that depicts the traditional daily activities of the Arab community before the discovery of Oil. After a short trip to the tip of the breakwater for a superb view of Abu Dhabi's magnificent skyline, we drive past the presidential palace areas and the majestic Emirates Palace Hotel.

OASIS ADVENTURE - AL AIN CITY TOUR

We head for the garden city of Al Ain, a charming oasis that has served as an important caravan stop since time immemorial. A scenic drive through the desert brings us to our first stop, the Al Ain Museum and its adjoining fortress. The museum offers a glimpse of the Bedouin lifestyle and local culture as well as exhibits from the 2,500 year old Mesopotamian burial site located nearby. A short walk from the museum takes us to the Al Ain Oasis where we can observe date gardens being watered by the 2,000 year old "falaj" irrigation system. We then proceed to the Al Ain Palace Museum, the home of the United Arab Emirates late ruler, Sheikh Zayed from 1927 until the early 1970s. This is followed by a stop for lunch. The last stop on the way back to Abu Dhabi is at the Green Mubbazzarah hot springs situated at the foot of Jebel Hafeet.
