## TOURS

### PENANG CIRCLE THE ISLAND TOUR

**\$22pp**

Penang or Pulau Pinang means "Island of Betelnut Palms" was once a pirates hideout. It came under British control in 1786. History has it that Captain Francis Light fired gold coins into the air and people around scrambled to recover them - thus clearing the area for settlement. Born as a crossroads for traders from Arabs to Europeans, Indians to Chinese and nearby islanders Penang is today a mini Asia in a nutshell. The island still retains its natural charm with quiet sunkissed beaches along the famed Batu Ferringhi district, tranquil fishing villages at Teluk Bahang (Bay of Reflected Light), the Batik Factory (a local cottage industry) and laid back villages (kampung) interspersed with rice padi fields. Snake Temple or the Temple of Azure Cloud, where poisonous Wagler's pit vipers languish on the altars. Enroute linger a while at OE Design. On a guided factory tour you will see skilled craftsmen working on intricate pieces of jewellery in platinum 950 and 18K gold set with diamonds and other precious gems.

### PENANG'S BUTTERFLY FARM & SPICE GARDEN TOUR

**\$34pp**

The Butterfly Farm in Teluk Bahang houses more than 130 species of rare & exotic breeds of tropical butterflies. The farm displays other rare varieties common in this region. To add to this wonder are other exotic species of insects common in this tropical vegetation. Tropical Spice Garden, come uncover this treasure trove of more than 500 living specimens of lush & exotic flora from all over the tropical world, including the faintly aromatic torch ginger from Indonesia, useful indigenous spices from Malaysia, colourful Amazonian bromeliads, strange palm from the Seychelles, heliconias from Ecuador & exotic ferns from tropical America.
